

Here Now

Key: B |  = 150 bpm

Verse 1

This is the day You have made
And You make all things new
Yesterday is gone
And I press on to You

Verse 2

When all I can see is the end
You promise me new life
You restore my soul
And I place You on high

Pre-Chorus 1

You give me joy in place of my tears
A garment of praise instead of despair

Chorus

Here now I am sanctified
Changed and blameless in Your sight
Here now through Your power
Jesus God's own sacrifice
Cleanses washes and purifies
Here now You will be glorified

Verse 3

You took the weight of my sin
That day at Calvary
It's no longer I who lives
But Christ who lives in me

Pre-Chorus 2

You will forgive what I can't forget
All of my sin and all my regret

Chorus

Bridge

Death where is your sting?
Oh grave where is your victory?
The blood that Jesus shed has set me
free
Fear where is your strength?
Shame you have been stripped away
The love of Jesus Christ has set me free
